

Guardrails

Guardrails

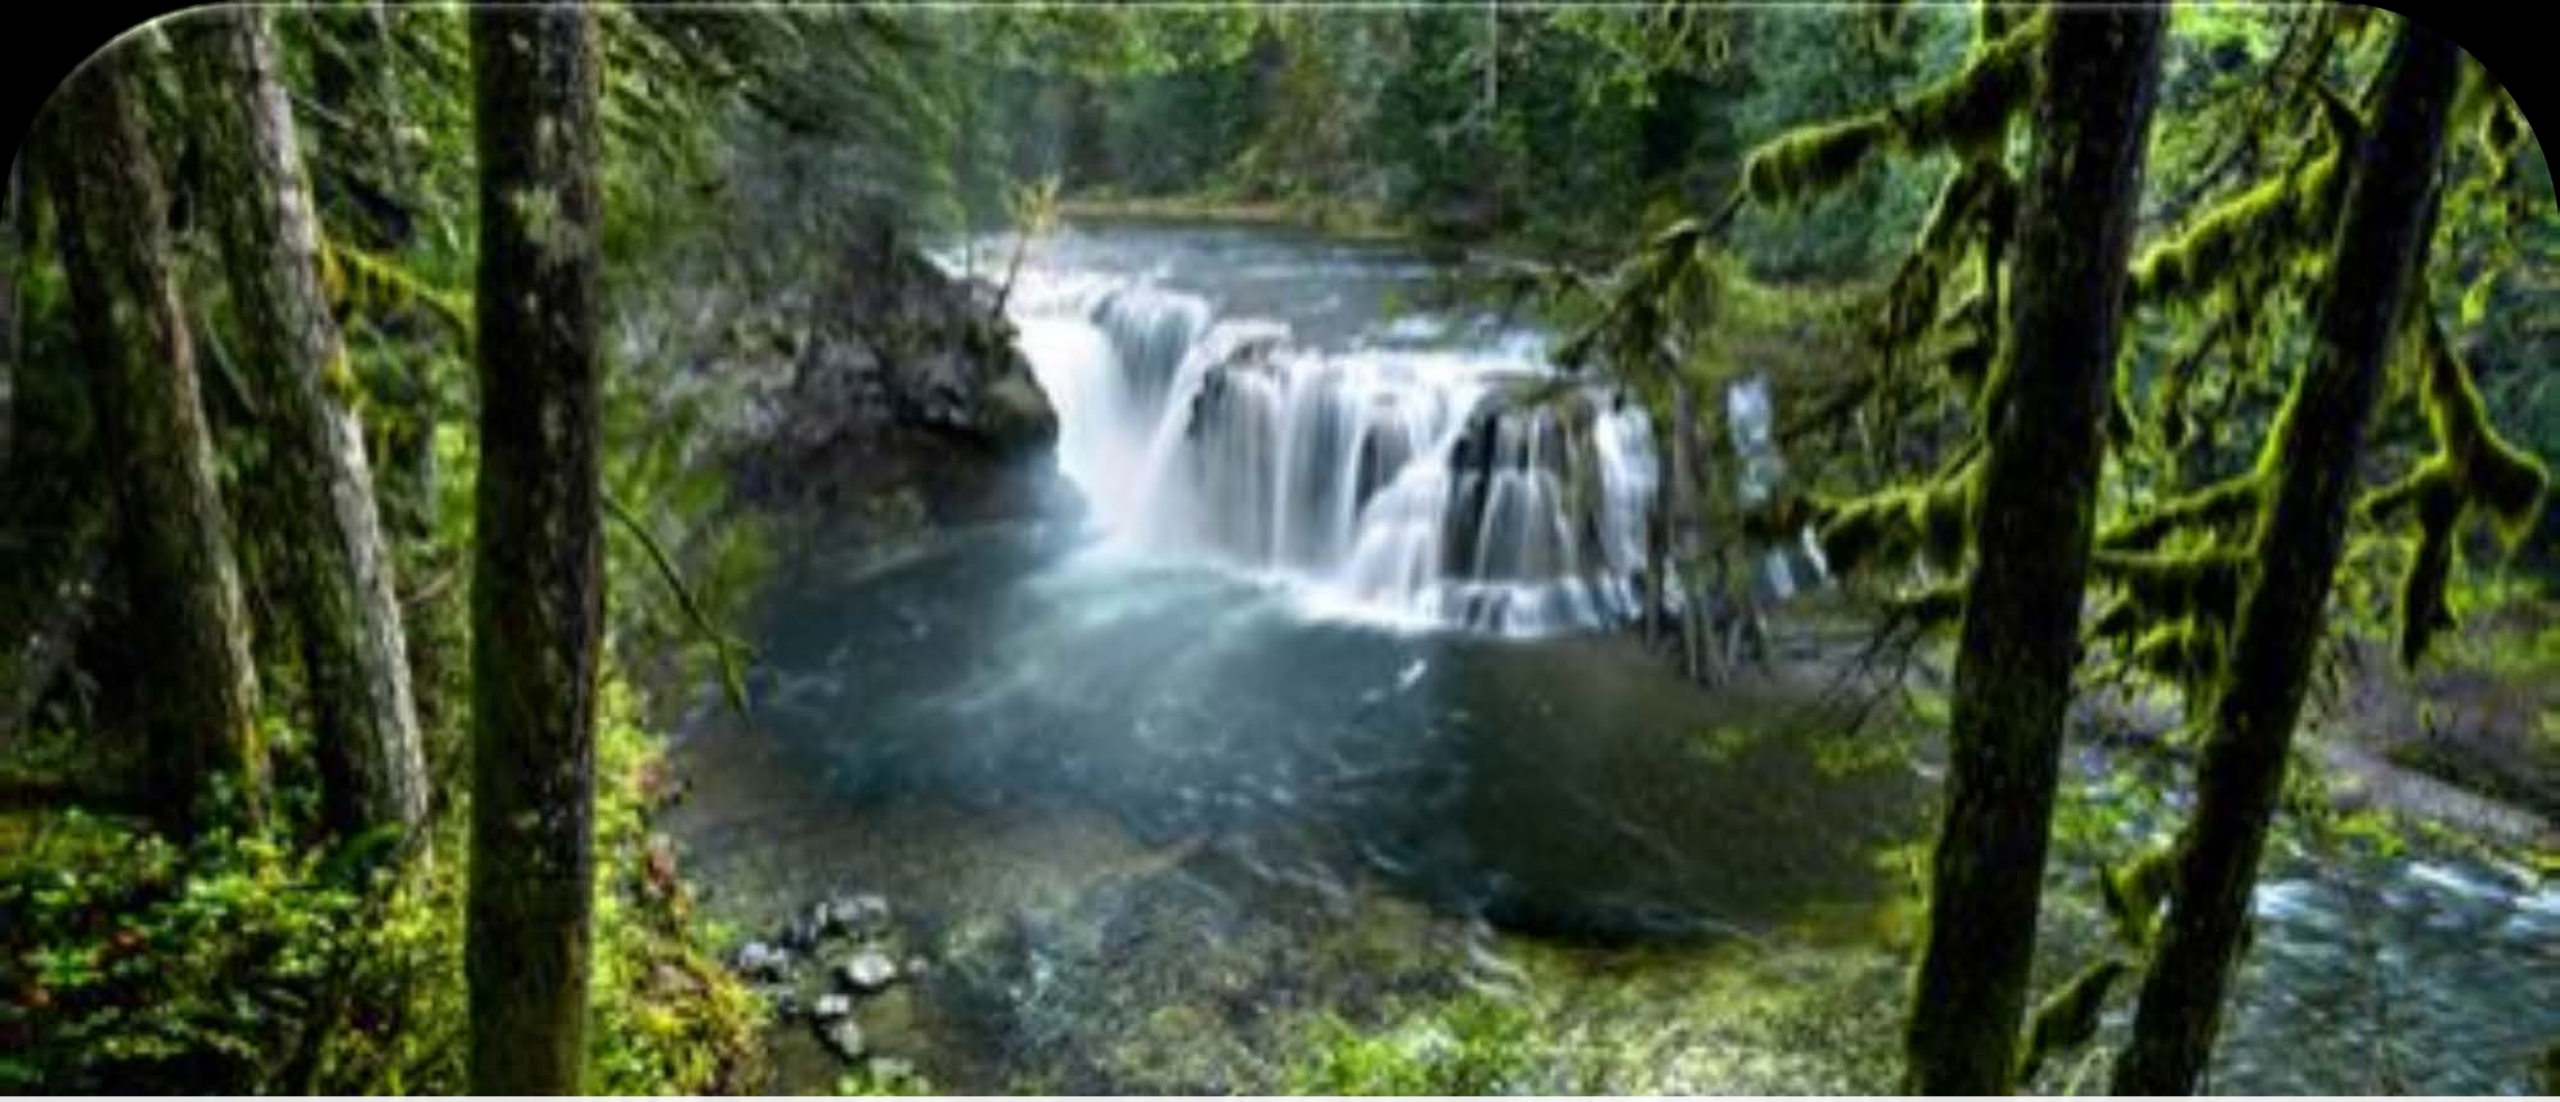

DEFINITION: a system designed to keep people or vehicles from straying (intentionally or unintentionally) into dangerous or off limit areas

Protect & Direct

A photograph of a winding asphalt road on a hillside. A metal guardrail runs along the edge of the road, curving with the road's path. The background is filled with lush green trees and foliage. The lighting suggests a bright, sunny day.

Spiritual Guardrails

An open Bible is shown from a high angle, with the pages slightly curved. The text on the pages is small and dense. A grey rectangular box with a thin black border is overlaid on the right side of the Bible. Inside the box, the text is centered and reads: "A SYSTEM DESIGNED to keep you from straying into DANGEROUS AREAS". The words "A SYSTEM" and "DESIGNED" are in yellow, while "to keep you from straying into" and "DANGEROUS AREAS" are in white.
