(Part 2 of what we know from verse 5:19 that says "We know that we are of God, and the whole world has under the sway of the wicked one.")

And we know that the Son of God has come and has given us an understanding, that we may know Him who is true, and we are in Him who is true, in His Son Jesus Christ. This is the true God and eternal life.

What Angela knows and understands:
 1. I was created by God, the Father
 2. God sent his son for my salvation
 3. Through my relationship with Jesus, I can understand God's Love, Plan of salvation, and Eternal gift of life.
 4. Through my relationship with Jesus, I can testify that he is real in my life.
 5. I know his truths and who I am in Him.

(Everything the LS and says is real, he is faithful and has shown himself to be accurate in my life.)

The quality of life our Father lives and the life he extends to me, and those who believe in him! Life that is everlasting and that does not perish or die.
